

LP4 / LM4

ITQ Options> LP4 (Local Control Unit) for 1phase (ITQ0160 to ITQ9000)
 - Local Control Unit for ITQ Electric Actuator (1Ph) in the field,
 and user can make the actuator work as per either remote or local command.

ITQ Options> LM4 for 3phases (ITQ0160 to ITQ9000)
 - Including the same functions as LP4
 - Reversing Electric Contactors/Transformer for 3 phases

Specifications		
	Incoming Power	85~265V AC ± 10%, 50/60 Hz ± 2 %
		Option: 24V DC
	Magnetic Selector Switch	Open/ Close & Local/ Stop/ Remote
Local Lamp Indication	POWER	White (On)
	REMOTE	Blue (On)
	Close Torque Switch trip	Yellow (On) + Green (Flickering: Only at Local Postion)
	Open Torque Switch trip	Yellow (On) + RED (Flickering: Only at Local Postion)
	Full Close	Green (On)
	Closing	Green (Flickering: Only at Local Position)
	Full Open	Red (On)
	Opening	Red (Flickering: only at Local Position)

*Options available: PK, CT, RPC, IP68, Explosion Proof
